## Hollis Brookline PTSA Support TEAM for Youth

March 18, 2011

Dear Neighbor,

Each year at this time the S-TEAM for Youth Committee of the Hollis Brookline High School PTSA asks for your financial help with the year end celebration for our graduates. For the past 20 years, we have been sponsoring safety awareness events and a fun, substance free post graduation party. The S-TEAM for Youth Committee also sponsors our highly acclaimed Parent Education Series which provides opportunities for all residents of the district to learn about topics such as teen nutrition, drug awareness, cyber bullying and parenting support.

In the past, the post graduation event has been a Boston Harbor cruise. The PTSA is currently soliciting parent and student input to determine what type of event will be held this year. Options suggested so far include the traditional cruise and a lock-in at a local facility.

The PTSA at the High School does not conduct any fundraising events. This letter is our one request to you for your financial support to continue these traditions. Residents, business leaders and community organizations have always sent a clear message that we care about our youth and wish to provide a safe and memorable event to mark their high school success. We want to make sure that our students have a safe and substance free opportunity to celebrate their achievements.

The cost per student for this event is approximately \$50. We sincerely appreciate any donation you can make. Please consider your cancelled check as our acknowledgement of your gift. The HBHS PTSA is a 501c(3) nonprofit organization and is eligible for corporate matching gift programs. Please make your check payable to HBHS PTSA S-TEAM. We sincerely appreciate any gift you can offer. Your contribution makes a difference in the lives of our students. Thank you for caring.

Sincerely,

Janet Listowich  
S-Team Coordinator
